Dear Patient

Welcome to the practices of Sun Valley Orthopedic Surgeons (SVOS) and OrthoArizona, our physicians and staff are here to care for you and make your experience with us as pleasant and helpful as possible.

SVOS and OrthoArizona represent some of Phoenix's top-rated surgeons and most are board certified in their specialty. Our physicians have established their practices by providing consistent high quality patient care.

In the course of treating patients our physicians often find that some injuries and orthopedic conditions respond to non-surgical interventions such as cortisone injections, non-steroidal anti-inflammatory and physical therapy. For others, surgery is the more suitable option. Our office staff will work with you to schedule a time that is convenient for you.

SVOS and OrthoArizona have significant expertise and special interests in the treatment of spinal injuries, hand injury, trauma and sports injuries, foot and ankle. In addition, our specialists have performed thousands of procedures in total joint replacement of the hip and knee as well as ACL, meniscus and rotator cuff repair. Our expertise in treating spine injuries has also garnered the respect and confidence of our referring physicians and patients alike. Our physicians are on staff at Boswell Memorial Hospital, Del Webb Memorial Hospital, Arrowhead Community Hospital and St. Joseph's Westgate Hospital.

Should you have any questions, please do not hesitate to give us a call.

Sincerely,  
The Physicians & Management of Sun Valley Orthopedic Surgeons and OrthoArizona

## Financial Policy

Thank you for choosing us to serve you and your family's health needs. We are committed to your care. The following is a statement of our financial policy which we require you to read and sign prior to treatment. The financial policy applies to all services provided to you by any of our providers regardless of location.

**Co-Pays and Other Balances- unless previous arrangements have been made, all co-payments, deductibles and fees that are not covered by your insurance are due at time of service. If we have to bill you for your co-pay there will be a \$10.00 fee added to your bill.** We accept cash, check, MasterCard, Visa and Discover. Please notify us of any change in insurance, address or phone number.

**Surgery Charges-**Should your treatment require surgery, as part of the pre-operative process we will make an estimate of the fees. The actual charges billed for your surgery will reflect the procedures performed and may differ from the estimate. **Prepayment of any unmet deductible and estimated co-pay is due prior to surgery. If you are a self pay patient, a prepayment of one half of estimated cost is required.**

**Insurances-**It is your responsibility to understand and be aware of the terms and conditions of your insurance plan. Your medical insurance is a contract between you and your insurance company. We, as a courtesy to our patients, will submit a claim to your insurance company provided we have complete and accurate information. To ensure your claim is submitted in a timely fashion a copy of your insurance card(s) is required at the time of service. It is your responsibility to verify if our provider is participating in your network and getting any referrals required for services rendered.

**Self Pay Patients-** Payment of a \$150 fee is due at time of service, balance on account may differ once services are rendered, at which point you will be billed for any remaining balance. If you are unable to pay your balance in full, you will need to make prior arrangements with our billing office.

**Missed Appointments-** It is a requirement that you cancel or reschedule, 24 hours prior to your scheduled appointment. If you fail to do so a \$25 fee will be applied to your account.

**Durable Medical Equipment-** Some insurance policies do not cover durable medical equipment and therefore is your financial responsibility. Payment is due prior to receiving durable medical equipment if you are cash pay. Equipment cannot be returned.

**Outstanding Balances-** Just as we make every effort to accommodate you when you are in need of medical care; we expect that you will make every effort to pay your bill promptly. You are ultimately responsible for your account, regardless of insurance coverage. If you are unable to pay your bill in its entirety please contact our Billing Department to discuss your options.

**Delinquent Balances-** Unless we approve other arrangements in writing, the balance on your statement is due upon receipt. If payment is not received, we reserve the right to refuse service on delinquent accounts. If your account becomes delinquent, we will take the necessary steps to collect the debt. If your account is turned to an outside collection agency a 35% late fee will be added to the balance.

### These policies are subject to change without notice.

I acknowledge full financial responsibility for services rendered by **Sun Valley Orthopedic Surgeons/OrthoArizona**. I understand that I am responsible for prompt payment of any portion of the charges not covered by insurance, **including deductibles and copays. I understand payment of co-pays is due at time of service, as well as any prior delinquent balance I may owe.** I also consent that the payment of authorized Medicare insurance benefits be made on my behalf directly to **Sun Valley Orthopedic Surgeons/OrthoArizona** for any medical or surgical services furnished. I agree to all reasonable attorney fees and late fees in the event of default of payment of my charges.
